## Who We Are

Chris and Jeremy are Police Officers with over 38 years of Law Enforcement experience. Both share a passion for making a difference in the lives of those who serve. Jeremy and Chris have both been involved in traumatic life changing experiences where their mental health was affected. They know first-hand that proper training and getting help for stressful events is key to success. Chris and Jeremy recognize that the term "first responder" includes more than just police and firefighters. They started their own 501c3 Non Profit called "Bigger Than Us" committed to helping others in need and recently shared their passion for change and inspiring others!
